

GET IN ON HOTSY'S MARCH HOSE MADNESS!!!

There is no other high pressure hose as tough as Hotsy's Tuff-Skin hose. When tested, the Tuff-Skin has proven to be seven times more abrasion-resistant than standard pressure washer hoses and is 20% more flexible. Tuff-Skin hoses come with durable plastic sleeves on both ends, including a 24-inch sleeve on the gun end, for added operator protection against high-pressure bursts.
